Arctic Monkeys - Fake Tales of San Francisco

Fake tales of San Francisco

Echo through the room

More point to a wedding disco

Without a bride or groom

And there's a super cool band,
yeah

With their trilbies and their glasses
of white wine

And all the weekend rockstars are
in the toilets

Practicing their lines

I don't want to hear you (kick me
out, kick me out)

I don't want to hear you, no, kick
me out, kick me out

I don't want to hear you (kick me
out, kick me out)

I don't want to hear you, I don't
want to hear your

Fake tales of San Francisco

Echo through the air

And there's a few bored faces at
the back, all

Wishing they weren't there

And as the microphone squeaks

A young girl's telephone beeps

Yeah, she's dashing for the exit

Oh, she's running to the streets
outside

"Oh, you've saved me", she
screams down the line

"The band was fucking wank and
I'm not having a nice time"

I don't want to hear you (kick me
out, kick me out)

I don't want to hear you, no (kick
me out, kick me out)

Yeah, but his bird said it's amazing
though, so all that's left

Is the proof that love's not only
blind but deaf

(Pausa)

He talks of San Francisco, he's
from Hunter's Bar

I don't quite know the distance,
but I'm sure that's far

Yeah, I'm sure it's pretty far

And, yeah, I'd love to tell you all
my problem

You're not from New York City,
you're from Rotherham

So get off the bandwagon, and put
down the handbook

Yeah, yeah, yeah, yeah, yeah

Get off the bandwagon and put
down the handbook

Get off the bandwagon and put
down the handbook

Get off the bandwagon and put
down the handbook

Get off the bandwagon and put
down the handbook, yeah

[FIRST - 1 batida cada][FIRST - 2x]

You used to get it in your fishnets
Now you only get it in your night dress
Discarded all the naughty nights for niceness
Landed in a very common crisis

[FIRST]

Everything's in order in a black hole
Nothing seems as pretty as the past though
That Bloody Mary's lacking her Tabasco
Remember when you used to be a rascal?

[SECOND] Oh, that boy's a slag

The best you ever had
The best you ever had
Is just a memory and those dreams
Weren't as daft as they seem
Not as daft as they seem
My love, when you dreamed them up

[THIRD] Flicking through a little book of sex
tips Remember when the boys were all
electric?

Now when she's told she's gonna get it
I'm guessing that she'd rather just forget it
Clinging 'til I'm getting sentimental
Said she wasn't going but she went still
Likes her gentlemen to not be gentle
Was it a Mecca dobber or a betting pencil?

[SECOND] Oh, that boy's a slag

The best you ever had
The best you ever had
Is just a memory and those dreams
Weren't as daft as they seem
Not as daft as they seem
My love, when you dreamed them up

[FORTH] Oh, flo

Where did you go?
Where did you go?
Where did you go? Oh

Falling about
You took a left off Last Laugh Lane
Just sounding it out
But you're not coming back again

No you're not coming back again

Arctic Monkeys - Do I wanna know?

Have you got colour in your cheeks?
Do you ever get that fear that you can't shift
The type that sticks around like summat in your teeth?
Are there some aces up your sleeve?
Have you no idea that you're in deep?
I dreamt about you nearly every night this week
How many secrets can you keep?
'Cause there's this tune I found
That makes me think of you somehow
And I play it on repeat
Until I fall asleep
Spilling drinks on my settee

(Do I wanna know)
If this feeling flows both ways?
(Sad to see you go)
Was sorta hoping that you'd stay
(Baby, we both know)
That the nights were mainly made
For saying things that you can't say
tomorrow day
Crawling back to you
Ever thought of calling when you've had
a few?
'Cause I always do
Maybe I'm too busy being yours to fall
for somebody new
Now, I've thought it through
Crawling back to you

So, have you got the guts?
Been wondering if your heart's still open
And if so, I wanna know what time it shuts
Simmer down and pucker up
I'm sorry to interrupt, it's just I'm constantly on the cusp
Of trying to kiss you
I don't know if you feel the same as I do
But we could be together | if you wanted to

(Do I wanna know)
If this feeling flows both ways?
(Sad to see you go)
Was sorta hoping that you'd stay
(Baby, we both know)
That the nights were mainly made
For saying things that you can't say tomorrow day

Crawling back to you (crawling back to you)
Ever thought of calling when you've had a few? (You've had a few?)
'Cause I always do ('cause I always do)
Maybe I'm too (maybe I'm too busy)
Busy being yours (being yours)
To fall for somebody new
Now, I've thought it through

Crawling back to you
(Do I wanna know)
If this feeling flows both ways?
(Sad to see you go)
Was sorta hoping that you'd stay
(Baby, we both know)
That the nights were mainly made
For saying things that you can't say tomorrow day

(Do I wanna know?)
Too busy being yours to fall
(Sad to see you go)
Ever thought of calling, darling?
(Do I wanna know?)
Do you want me crawling back to you?

Arctic Monkeys - R U Mine?

I'm a puppet on a string
Tracy Island, time-travelin' diamond
cutter-shaped heartaches
Come to find you four in some velvet
mornin' years too late
She's a silver linin', lone ranger ridin'
through an open space
In my mind, when she's not right
there beside me

**I go crazy 'cause here isn't where I
wanna be
And satisfaction feels like a distant
memory
And I can't help myself
All I.. wanna ever say is, "Are you
mine?"**

**Well, are you mine?
Are you mine?
Are you mine? Oh, ah**

I guess what I'm tryin' to say is I
need the deep end
Keep imaginin' meetin', wished
away, entire lifetimes
Unfair we're not somewhere
misbehavin' for days
Great escape, lost track of time and
space
She's a silver linin', climbin' on my
desire

**And I go crazy 'cause here isn't
where I wanna be
And satisfaction feels like a distant
memory
And I can't help myself**

**All I.. wanna ever say is, "Are you
mine?"**

**Well, are you mine? (Are you mine
tomorrow?)
Are you mine? (Or just mine
tonight?)
Are you mine? (Are you mine?
Mine?)**

And the thrill of the chase moves in
mysterious ways
So in case I'm mistaken, I
Just wanna hear you say, "You got
me baby"
"Are you mine?"

She's a silver linin', lone ranger ridin'
through an open space
In my mind, when she's not right
there beside me

**I go crazy 'cause here isn't where I
wanna be
And satisfaction feels like a distant
memory
And I can't help myself
All I wanna ever say is, "Are you
mine?"**

**Well, are you mine? (Are you mine
tomorrow?)
Are you mine? (Or just mine
tonight?)
Are you mine? (Are you mine?
Mine?)**

Audioslave - Like a Stone

On a cobweb afternoon
In a room full of emptiness
By a freeway I confess
I was lost in the pages
Of a book full of death
Reading how we'll die alone
And if we're good, we'll lay to rest
Anywhere we want to go

**In your house, I long to be
Room by room, patiently
I'll wait for you there
Like a stone
I'll wait for you there
Alone**

And on my deathbed I will pray
To the gods and the angels
Like a pagan to anyone
Who will take me to heaven
To a place I recall
I was there so long ago
The sky was bruised
The wine was bled
And there you led me on

**In your house, I long to be
Room by room, patiently
I'll wait for you there
Like a stone
I'll wait for you there
Alone
Alone**

And on I read
Until the day was gone
And I sat in regret
Of all the things I've done
For all that I've blessed
And all that I've wronged
In dreams until my death
I will wander on

**In your house, I long to be
Room by room, patiently
I'll wait for you there
Like a stone
I'll wait for you there
Alone
Alone**

Blur - Song 2

Woo-hoo

Woo-hoo

Woo-hoo

Woo-hoo

I got my head checked

By a jumbO jet

It wasn't easy

But nothing is... no

(Woo-hoo) when I feel heavy metal

(Woo-hoo)and I'm pins and I'm
needles

(Woo-hoo) well, I lie and I'm easy

All of the time, but I'm never sure

why I need you

Pleased to meet you

I got my head done

When I wAs young

It's not my problem

It's not my probleeeeeem

(Woo-hoo) when I feel heavy metal

(Woo-hoo)and I'm pins and I'm
needles

(Woo-hoo) well, I lie and I'm easy

All of the time, but I'm never sure

why I need you

Pleased to meet you

Cage the Elephant - Ain't no rest for the wicked

He was a- | You know it | He was a-

I was walking down the street
When out the corner of my eye
I saw a pretty little thing approaching me
She said, I've never seen a man
Who looks so all alone
Could you use a little company?

If you pay the right price
Your evening will be nice
And you can go and send me on my way
I said, "You're such a sweet young thing
Why'd you do this to yourself?"
She looked at me and this is what she
said

**"Oh, there ain't no rest for the wicked
Money don't grow on trees
I got bills to pay
I got mouths to feed
There ain't nothing in this world for free
I know I can't slow down
I can't hold back
Though you know
I wish I could
Oh, no there ain't no rest for the
wicked
Until we close our eyes for good"**

Not even 15 minutes later
I'm still walking down the street
When I saw the shadow of a man creep
out of sight
And then he swept up from behind
He put a gun up to my head
He made it clear he wasn't looking for a
fight
He said, "Give me all you've got
I want your money not your life
But if you try to make a move, I won't
think twice"
I told him, "You can have my cash
But first you know I got to ask

What made you want to live this kind of
life?"

**He said, "There ain't no rest for the
wicked
Money don't grow on trees
I got bills to pay
I got mouths to feed
There ain't nothing in this world for free
I know I can't slow down
I can't hold back
Though you know, I wish I could
Oh no there ain't no rest for the wicked
Until we close our eyes for good"**

Yeah

He was a- | You know it | He was a-

Well, now a couple hours passed
And I was sitting at my house
The day was winding down and coming
to an end
And so I turned on the TV
And flipped it over to the news
And what I saw I almost couldn't
comprehend
I saw a preacher man in cuffs
He'd taken money from the church
He'd stuffed his bank account with
righteous dollar bills
But even still I can't say much
Because I know we're all the same
Oh yes, we all seek out to satisfy those
thrills

**You know there ain't no rest for the
wicked
Money don't grow on trees
We got bills to pay
We got mouths to feed
There ain't nothing in this world for free
I know we can't slow down
We can't hold back, though you know,
we wish we could
Oh no, there ain't no rest for the
wicked
Until we close our eyes for good**

Charlie Brow Jr - Papo Reto

Oh, otário eu vou te avisar,
O teu intelecto é de mosca de bar.

Você deixou ela de lado pra falar com
seus amigos,
Sobre as suas coisas chatas
Ela deu brecha eu me aproximei
Porque eu me fortaleço é na sua falha
Ela estava ali sozinha querendo
atenção
E alguém pra conversar
Você deixou ela de lado
Vai pagar pela mancada pode acreditar

Então já era
Eu vou fazer de um jeito
Que ela não vai esquecer
Se for já era
Eu vou fazer de um jeito
Que ela não vai esquecer

Oh, otário eu vou te avisar,
Intelecto de cu é rola

Você falou pra ela que eu sou louco e
canto mal,
Que eu num presto que sou um
marginal
Que eu não tenho educação,
Que eu só falo palavrão,
E pra socialite eu não tenho vocação
Sei que isso tudo é verdade mas
Eu quero que se foda esta porra de
sociedade
Pago minhas contas, eu sou limpinho,
Não sou como você filho da puta

Então já era
Eu vou fazer de um jeito
Que ela não vai esquecer
Se for já era
Eu vou fazer de um jeito

Que ela não vai esquecer

Mexeu com a família,
Agora se vira,
Segura a seqüência,
Essa é minha quadrilha!

Eu não sou simpático a ninguém,
Hoje eu vou de limousine
Mas eu já andei de trem

Franz Ferdinand - Take me Out

[Intro]

So if you're lonely
You know I'm here waiting for you
I'm just a cross-hair
I'm just a shot away from you

And if you leave here
You leave me broken, shattered I lie
I'm just a cross-hair
I'm just a shot, then we can die
Ah-ah-ah
I know I won't be leaving here
With you

[Break][Riff 2x][Verse]

I say, "Don't you know?"
You say, "You don't know"
I say
"Take me out"
I say, "You don't show"
Don't move, time is slow
I say
"Take me out"

[Riff][Verse]

I say, "You don't know"
You say, "You don't know"
I say
"Take me out"
If I move, this could die
If eyes move, this could die
I want you
To take me out

[Break][Chorus]

I know, I won't be leaving here
(with you)
Oh, I know I won't be leaving
here
I know, I won't be leaving here
(with you)
I know, I won't be leaving here
With you

[Riff][Verse]

I say, "Don't you know?"
You say, "You don't know"
I say
"Take me out"

If I wane, this could die
If I wait, this could die
I want you
To take me out

If I move, this could die
Eyes move, this can die
Come on

[Pausa]

Take me out

Green Day - American Idiot

[4x verse]

Don't wanna be an American idiot

Don't want a nation under the new media

And can you hear the sound of hysteria?

The subliminal mindfuck America

Welcome to a new kind of tension

All across the alien nation

Where everything isn't meant to be okay

In television dreams of tomorrow

We're not the ones who're meant
to follow

For that's enough to argue

[1x pausa - 2x verse]

Well, maybe I'm the faggot,

America

I'm not a part of a redneck agenda

Now everybody, do the

propaganda

And sing along to the age of

paranoia

Welcome to a new kind of tension

All across the alien nation

Where everything isn't meant to be
okay

In television dreams of tomorrow

We're not the ones who're meant

to follow

For that's enough to argue

[1x pausa - 4x verse - 2x chorus -
2x verse]

Don't wanna be an American idiot

One nation controlled by the media

Information age of hysteria

[para] It's calling out to idiot

America

Welcome to a new kind of tension

All across the alien nation

Incubus - Nice to know you

Better than watching Geller
bending silver spoons
Better than witnessing new-born
nebulas in bloom
She who sees from up high
smiles and surely sings
Perspective pries your once-
weighty eyes and it gives you
wings

I haven't felt the way I feel today
In so long, it's hard for me to
specify
I'm beginning to notice
How much this feels like a waking
limb
Pins and needles, nice to know
you

Goodbye, nice to know you
Goodbye, nice to know you
Goodbye, nice to know you
Goodbye, nice to know you
To know you

Deeper than the deepest
Cousteau would ever go
And higher than the heights of
what we often think we know
Blessed she who clearly sees the
wood for the trees
To obtain a bird's eye is to turn a
blizzard into a breeze

I haven't felt the way I feel today
In so long, it's hard for me to
specify
I'm beginning to notice
How much this feels like a waking
limb
Pins and needles, nice to know
you

Goodbye, nice to know you
Goodbye, nice to know you
Goodbye, nice to know you
Goodbye, nice to know you
To know you

But could it be that it has been
there all along?
Yeah

I haven't felt the way I feel today
In so long, it's hard for me to
specify
I'm beginning to notice
How much this feels like a waking
limb
Pins and needles, nice to know
you

Goodbye, nice to know you
Goodbye, nice to know you
Goodbye, nice to know you
Goodbye, nice to know you
To know you

Let's go!!

It's a 1, 2, 3, take my hand and come

and I really wanna make you mine
I said you look so fine and I really

Now you don't need that money
when you look like that, do ya honey

Big black boots, long brown hair,
She's so sweet, with her get back

**Well, I could see, you home with
me
But you were with another man,

I, know, we ain't got, much to say
Before I let you get away, yeah!**

The dark of the alley, the breaking of

Legião Urbana - Perfeição

Vamos celebrar a estupidez humana
A estupidez de todas as nações
O meu país e sua corja de
assassinos
Covardes, estupradores e ladrões
Vamos celebrar a estupidez do povo
Nossa polícia e televisão
Vamos celebrar nosso governo
E nosso Estado, que não é nação
Celebrar a juventude sem escola
As crianças mortas
Celebrar nossa desunião
Vamos celebrar Eros e Thanatos
Persephone e Hades
Vamos celebrar nossa tristeza
Vamos celebrar nossa vaidade

Vamos comemorar como idiotas
A cada fevereiro e feriado
Todos os mortos nas estradas
Os mortos por falta de hospitais
Vamos celebrar nossa justiça
A ganância e a difamação
Vamos celebrar os preconceitos
O voto dos analfabetos
Comemorar a água podre
E todos os impostos
Queimadas, mentiras e sequestros
Nosso castelo de cartas marcadas
O trabalho escravo
Nosso pequeno universo
Toda hipocrisia e toda afetação
Todo roubo e toda a indiferença
Vamos celebrar epidemias
É a festa da torcida campeã

Vamos celebrar a fome
Não ter a quem ouvir
Não se ter a quem amar
Vamos alimentar o que é maldade

Vamos machucar um coração

Vamos celebrar nossa bandeira
Nosso passado de absurdos
gloriosos
Tudo o que é gratuito e feio
Tudo que é normal
Vamos cantar juntos o Hino Nacional
A lágrima é verdadeira
Vamos celebrar nossa saudade
E comemorar a nossa solidão

Vamos festejar a inveja
A intolerância e a incompreensão
Vamos festejar a violência
E esquecer a nossa gente
Que trabalhou honestamente a vida
inteira
E agora não tem mais direito a nada
Vamos celebrar a aberração
De toda a nossa falta de bom senso
Nosso descaso por educação
Vamos celebrar o horror
De tudo isso com festa, velório e
caixão
Está tudo morto e enterrado agora
Já que também podemos celebrar
A estupidez de quem cantou esta
canção

Venha, meu coração está com
pressa
Quando a esperança está dispersa
Só a verdade me liberta
Chega de maldade e ilusão

Venha, o amor tem sempre a porta
aberta
E vem chegando a primavera
Nosso futuro recomeça
Venha, que o que vem é perfeição

Marron 5 - Harder to Breathe

How dare you say that my behavior's unacceptable?

So condescending, unnecessarily critical

I have the tendency of getting very physical

So watch your step, 'cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even here

This double vision I was seein' is finally clear

You want to stay, but you know very well, I want you gone

Not fit to fuckin' tread the ground that I am walkin' ON

When it gets cold outside, and you got nobody to love

You'll understand what I mean

When I say there's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe

What you are doing is screwing things up inside my head

You should know better, you never listened to a word I said

Clutchin' your pillow and writhin' in a naked sweat

Hoping somebody, someday will do you like I DID

When it gets cold outside, and you got nobody to love

You'll understand what I mean

When I say there's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe (Ohhh)

Does it kill? Does it burn?

Is it painful to learn that it's me that has all the control?

Does it thrill? Does it sting?

When you feel what I bring, and you wish that you had me to hooooold

When it gets cold outside, and you got nobody to love

You'll understand what I mean

When I say there's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe

Is there anyone out there?

'Cause it's gettin' harder and harder to breathe

Nirvana - Heart Shaped Box

She eyes me like a Pisces when I am
weak
I've been locked inside your heart-
shaped box for weeks
I've been drawn into your magnet tar pit
trap
I wish I could eat your cancer when you
turn black

Hey
Wait
I got a new complaint
Forever in debt to your priceless
advice
Hey
Wait
I got a new complaint
Forever in debt to your priceless
advice
Hey

I got a new complaint
Forever in debt to your priceless
advice
Your advice

Meat-eating orchids forgive no one just
yet
Cut myself on angel hair and baby's
breath
Broken hymen of Your Highness, I'm
left black
Throw down your umbilical noose so I
can climb right back

Hey
Wait
I got a new complaint
Forever in debt to your priceless
advice

Paralamas do Sucesso - Calibre

**Eu vivo sem saber até quando
ainda estou vivo**

Sem saber o calibre do perigo

Eu não sei d'aonde vem o tiro

**Eu vivo sem saber até quando
ainda estou vivo**

Sem saber o calibre do perigo

Eu não sei d'aonde vem o tiro

Por que caminhos você vai e
volta?

Aonde você nunca vai?

Em que esquinas você nunca
para?

A que horas você nunca sai?

Há quanto tempo você sente
medo?

Quantos amigos você já perdeu?

Entrincheirado, vivendo em
segredo

E ainda diz que não é problema
seu

E a vida já não é mais vida
No caos ninguém é cidadão
As promessas foram esquecidas
Não há estado, não há mais nação

Perdido em números de guerra
Rezando por dias de paz
Não vê que a sua vida aqui se
encerra

Com uma nota curta nos jornais

[Repete tudo]

**Eu vivo sem saber até quando
ainda estou vivo**

Sem saber o calibre do perigo

Eu não sei d'aonde vem o tiro

**Eu vivo sem saber até quando
ainda estou vivo**

Sem saber o calibre do perigo

Eu não sei d'aonde vem o tiro

Eu vivo sem saber...

Até quando ainda estou vivo

Paralamas do Sucesso - Meu Erro

Eu quis dizer
Você não quis escutar
Agora não peça
Não me faça promessas
Eu não quero te ver
Nem quero acreditar
Que vai ser diferente
Que tudo mudou

Você diz não saber
O que houve de errado
E o meu erro foi crer
Que estar ao seu lado bastaria

Ah meu Deus era tudo que eu queria
Eu dizia o seu nome
Não me abandone

Mesmo querendo
Eu não vou me enganar
Eu conheço seus passos
Eu vejo seus erros
Não há nada de novo
Ainda somos iguais
Então não me chame
Não olhe pra trás

Você diz não saber
O que houve de errado
E o meu erro foi crer
Que estar ao seu lado bastaria

Ah meu Deus era tudo que eu queria
Eu dizia o seu nome
Não me abandone jamais oh oh

Mesmo querendo
Eu não vou me enganar
Eu conheço seus passos
Eu vejo seus erros
Não há nada de novo
Ainda somos iguais
Então não me chame
Não olhe pra trás

Você diz não saber
O que houve de errado
E o meu erro foi crer
Que estar ao seu lado bastaria

Ah meu Deus era tudo que eu queria
Eu dizia o seu nome

Não me abandone jamais
Não me abandone jamais
Não me abandone jamais
Não me abandone jamais

Killing in the name of

Killing in the name of

Killing in the name of

And now you do what they told ya

[illegible]

Queens of the stone age - No
one knows

We get some rules to follow
That and this, these and those
No one knows

We get these pills to swallow
How they stick in your throat?
Tastes like gold

Oh, what you do to me
No one knows

**And I realize you're mine
Indeed a fool am I
And I realize you're mine
Indeed a fool am I**

I journey through the desert
Of the mind with no hope
I follow

I drift along the ocean
Dead lifeboats in the sun
And come undone

Pleasantly caving in
I come undone

**And I realize you're mine
Indeed a fool am I
And I realize you're mine
Indeed a fool am I**

(Pausa)

Heaven smiles above me
What a gift here below
But no one knows
The gift that you give to me
No one knows

Radiohead - Creep

When you were here before
Couldn't look you in the eye
You're just like an angel
Your skin makes me cry

You float like a feather
In a beautiful world
I wish I was special
You're so fucking special

But I'm a creep
I'm a weirdo
What the hell am I doing here?
I don't belong here

I don't care if it hurts
I wanna have control
I want a perfect body
I want a perfect soul

I want you to notice
When I'm not around
You're so fucking special
I wish I was special

But I'm a creep
I'm a weirdo
What the hell am I doing here?
I don't belong here
Oh, oh

She's running out the door
She's running out
She run, run, run, run
Run

Whatever makes you happy
Whatever you want
You're so fucking special
I wish I was special

But I'm a creep
I'm a weirdo
What the hell am I doing here?
I don't belong here
I don't belong here

RHCP - By the Way

**Standing in line to see the show
tonight
And there's a light on, heavy glow
By the way, I tried to say
I'd be there, waiting for
Dani the girl is singing songs to
me
Beneath the marquee, overload**

Steak knife, card shark
Con job, boot cut

Skin that flick, she's such a little DJ
Get there quick by street but not the
freeway
Turn that trick to make a little leeway
Beat that nic, but not the way that
we play

Dogtown, blood bath
Rib cage, soft tail

**Standing in line to see the show
tonight
And there's a light on, heavy glow
By the way, I tried to say
I'd be there, waiting for**

Black jack, dope dick
Pawn shop, quick pick

Kiss that dyke, I know you want to
hold one
Not on strike but I'm about to bowl
one
Bite that mic, I know you never stole
one
Girls that like a story, so I told one

Song bird, main line
Cash back, hard top

**Standing in line to see the show
tonight
And there's a light on, heavy glow
By the way, I tried to say
I'd be there waiting for
Dani, the girl, is singing songs to
me
Beneath the marquee, oversold
By the way, I tried to say
I'd be there waiting for**

Ooh, ah, guess you never meant it
Ooh, ah, guess you never meant it
Ooh, ah, guess you never meant it
Ooh, ah, guess you never meant it
Ooh, ah, guess you never meant it
Ooh, ah, guess you never meant it
Ooh, ah, guess you never meant it
Ooh, ah

**Standing in line to see the show
tonight
And there's a light on, heavy glow
By the way, I tried to say
I'd be there waiting for
Dani, the girl, is singing songs to
me
Beneath the marquee, oversold
By the way, I tried to say
I know you from before**

**Standing in line to see the show

By the way, I tried to say

RHCP - Californication
Psychic spies from China
Try to steal your mind's elation
And little girls from Sweden
Dream of silver-screen quotation
And if you want these kind of dreams
It's Californication

It's the edge of the world
And all of Western civilization
The Sun may rise in the East
At least it settled in a final location
It's understood that Hollywood sells
Californication

Pay your surgeon very well
To break the spell of aging
Celebrity skin: Is this your chin
Or is that war you're waging?

First born unicorn
Hardcore soft porn
Dream of Californication
Dream of Californication

Marry me, girl, be my fairy to the
world
Be my very own constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's Californication

Space may be the final frontier
But it's made in a Hollywood
basement
And, Cobain, can you hear the
spheres
Singing songs off Station to Station?
And Alderaan's not far away

It's Californication

Born and raised by those who praise
Control of population
Well, everybody's been there
And I don't mean on vacation

First born unicorn
Hardcore soft porn
Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication

Destruction leads to a very rough
road
But it also breeds creation
And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves couldn't save the
world
From Californication

Pay your surgeon very well
To break the spell of aging
Sicker than the rest, there is no test
But this is what you're craving

RHCP - Can't Stop

Can't stop, addicted to the shindig
Chop Top, he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation
Defunkt, the pistol that you pay for
This punk, the feelin' that you stay for
In time, I want to be your best friend
East Side love is living on the West End

Knocked out, but boy, you better come
to
Don't die, you know, the truth is some do
Go write your message on the pavement
Burn so bright, I wonder what the wave
meant
White heat is screamin' in the jungle
Complete the motion if you stumble
Go ask the dust for any answers
Come back strong with fifty belly dancers

**The world I love, the tears I drop
To be part of the wave, can't stop
Ever wonder if it's all for you?
The world I love, the trains I hop
To be part of the wave, can't stop
Come and tell me when it's time to**

Sweetheart is bleeding in the snow cone
So smart, she's leading me to ozone
Music, the great communicator
Use two sticks to make it in the nature
I'll get you into penetration
The gender of a generation
The birth of every other nation
Worth your weight, the gold of meditation

This chapter's gonna be a close one
Smoke rings, I know you're gonna blow
one
All on a spaceship, persevering
Use my hands for everything but steering
Can't stop the spirits when they need you
Mop tops are happy when they feed you
J. Butterfly is in the treetop
Birds that blow the meaning into bebop

[Refrão]

Wait a minute, I'm passin' out, win or
lose
Just like you
Far more shocking than anything I ever
knew
How about you?
Ten more reasons why I need somebody
new
Just like you
Far more shocking than anything I ever
knew
Right on cue

Can't stop, addicted to the shindig
Chop Top, he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation
Defunkt, the pistol that you pay for
This punk, the feelin' that you stay for
In time, I want to be your best friend
East Side love is living on the West End

Knocked out, but boy, you better come
to
Don't die, you know, the truth is some do
Go write your message on the pavement
Burn so bright, I wonder what the wave
meant

Kick-start the golden generator
Sweet talk but don't intimidate her
Can't stop the gods from engineering
Feel no need for any interfering
Your image in the dictionary
This life is more than ordinary
Can I get two, maybe even three of
these?
Comin' from space to teach you of the
Pleiades

Can't stop the spirits when they need you
This life is more than just a read-through

Robbin' on a bank in the state of
Indiana

She's a runner, rebel and a stunner
On her merry way sayin' baby
watcha gonna?
Looking down the barrel of a hot
metal forty-five
Just another way to survive

California, rest in peace
Simultaneous release
California, show your teeth
She's my priestess, I'm your priest
Yeah, yeah

(Small solo)

She's a lover, baby, and a fighter
Shoulda seen it comin' when it got a
little brighter
With a name like Dani California
Day was gonna come when I was
gonna mourn ya

A little loaded she was stealin'
another breath
I love my baby to death

California, rest in peace
Simultaneous release
California, show your teeth
She's my priestess, I'm your priest
Yeah, yeah

Who knew the other side of you?
Who knew what others died to
prove?
Too true to say goodbye to you
Too true to say, say, say

Push the fader, gifted animator
One for the now, and eleven for the
later
Never made it up to Minnesota
North Dakota man was a gunnin' for
the quota

Down in the badlands she was savin'
the best for last
It only hurts when I laugh
Gone too faaaaaaaast

California, rest in peace
Simultaneous release
California, show your teeth
She's my priestess, I'm your priest
Yeah, yeah

California, rest in peace
Simultaneous release
California, show your teeth
She's my priestess, I'm your priest
Yeah, yeah

RHCP - Don't Forget Me

I'm an ocean in your bedroom
Make you feel warm
Make you want to reassume
Now we know it all for sure

I'm a dancehall, dirty break beat
Make the snow fall up from
underneath your feet
Not alone, I'll be there
Tell me when you want to go

I'm a meth lab, first rehab
Take it all off and step inside the
running cab
There's a love that knows the way

I'm the rainbow in your jail cell
All the memories of everything
you've ever smelled
Not alone, I'll be there
Tell me when you want to go

Oh
Don't forget me, I can't hide it
Come again, get me excited

I'm an inbred and a pothead
Two legs that you spread inside the
tool shed
Now we know it all for sure

I could show you to the free field
Overcome and more will always be
revealed
Not alone, I'll be there
Tell me when you want to go

Oh, and
Don't forget me, I can't hide it
Come again, get me excited

Oh, and
Don't forget me, I can't hide it
There's a match, now let me light
it

(Solo)

I'm the bloodstain on your shirt
sleeve
Coming down and more, coming to
believe
Now we know it all for sure

Make the hair stand up on your arm
Teach you how to dance inside the
funny farm
Not alone, I'll be there
Tell me when you want to go

I'll be there, tell me when you want
to go
Come again, and tell me when you
want to go
More will be revealed my friend

RHCP - Easily

Easily let's get carried away
Easily let's get married today
Shao Lin shouted a rose
From his throat
Everything must go
A lickin' stick is thicker
When you break it to show
Everything must go

**The story of a woman on the
morning of a war
Remind me if you will exactly
what we're fighting for
Calling calling for something in
the air
Calling calling I know you must
be there**

Easily let's get caught in a wave
Easily we won't get caught in a
cave
Shao Lin's shakin' for the sake of
his soul
Everything must go
Lookin' mighty tired of
All the thing that you own
Everything must go

I can't tell you who to idolize
You think it's almost over
But it's only on the rise
Calling calling
For something in the air
Calling calling I know you must
be there

**The story of a woman on the
morning of a war
Remind me if you will exactly
what we're fighting for
Throw me to the wolves
Because there's order in the
pack
Throw me to the sky
Because I know I'm coming
back**

Shao Lin's shakin' for the sake of

I don't want to be your little

The creature that I am is only
going to destroy
Throw me to the wolves

RHCP - Minor Thing

I change the key from C to D
You see to me it's just a minor
thing
He knows everything
To readjust you've got to trust
That all the fuss is just a minor
thing
He knows everything
It's just a minor thing
And I'm a minor king
He knows everything

You've got your bit part, Mozart
Hot dart acceleration
Pop art, pistol chasin'
Cat fight, intimidation

Ohh, Ohhh, Ohh, Ohhh

To read a mind you've got to
Redefine the line to make your
circle sing
He knows everything
You make a sound
The spell is bound to come
around
He knows everything
It's just a minor thing
And I'm a minor king
He knows everything

You've got your bit part, Mozart
Hot dart acceleration
Pop art, pistol chasin'
Cat fight, intimidation
All out interfacing
Black star motivation
Vampire sugar junkie
Data basin' infiltration

I change the key from C to D
You see to me it's just a minor

He knows everything
To readjust you've got to trust
That all the fuss is just a minor

RHCP - Otherside

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

A slit in my throat, it's all I ever

I heard your voice through a

photograph

I thought it up and brought up the

past

Once you know, you can never

go back

I've got to take it on the otherside

Centuries are what it meant to me

A cemetery where I marry the sea

Stranger things could never

change my mind

I've got to take it on the otherside

Take it on the otherside

Take it on

Take it on

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

A slit in my throat, it's all I ever

Pour my life into a paper cup

The ashtray's full and I'm spillin'

my guts

She wants to know, am I still a

slut?

I've got to take it on the otherside

(pausa)

Scarlet starlet and she's in my
bed

A candidate for my soul mate
bled

Push the trigger and I pull the
thread

I've got to take it on the otherside

Take it on the otherside

Take it on

Take it on

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

A slit in my throat, it's all I ever

(pausa)

Turn me on, take me for a hard
ride

Burn me out, leave me on the
otherside

I yell and tell it that it's not my
friend

I tear it down, I tear it down and
then it's born again

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

**A slit in my throat it's all I ever
had**

(How long?)

I don't, I don't believe it's bad

A slit in my throat, it's all I ever

RHCP - Scar Tissue

Scar tissue that I wish you saw
Sarcastic mister know-it-all
Close your eyes and I'll kiss you
'cause
With the birds I'll share

**With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view and**

Push me up against the wall
Young Kentucky girl in a push-up
bra
Fallin' all over myself
To lick your heart and taste you
health, 'cause

**With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view**

Blood loss in a bathroom stall
Southern girl with a scarlet drawl
Wave good-bye to ma and pa,
'cause

**With the birds I'll share
With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view**

Soft spoken with a broken jaw
Step outside, but not to brawl in
Autumn's sweet, we call it fall
I'll make it to the Moon if I have to
crawl and

**With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view**

Scar tissue that I wish you saw
Sarcastic mister know-it-all
Close your eyes and I'll kiss you
'cause
With the birds I'll share

**With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view and
With the birds I'll share
This lonely view**

RHCP - Soul to Squeeze
I've got a bad disease
Up from my brain is where I bleed
Insanity it seems
Has got me by my soul to squeeze

Well all the love from thee
With all the dying trees I scream
The angels in my dreams (yeah)
Have turned to demons of greed
that's me

**Where I go, I just don't know
I got to, got to, gotta take it slow
When I find my peace of mind
I'm gonna give you some of my
good time**

Today love smiled on me
It took away my pain, said, please
I'll let your ride be free
You gotta let it be, oh, yeah

**Where I go, I just don't know
I got to, gotta, gotta take it slow
When I find my peace of mind
I'm gonna give you some of my
good time**

(Solo)

Oh, so polite indeed
Well I got everything I need
Oh, make my days a breeze
And take away my self destruction

It's bitter, baby
And it's very sweet
I'm on a rollercoaster
But I'm on my feet
Take me to the river
Let me on your shore
Well I'll be comin' back, baby
I'll be comin' back for more

Doo doo doo doo dingle zing a
dong bone
Ba-di ba-da ba-zumba crunga
cong gone bad

I could not forget
But I will not endeavor
Simple pleasures are much better
But I won't regret it never

**Where I go I just don't know
I got to, got to, gotta take it slow
When I find my peace of mind
I'm gonna give you some of my
good time
Where I go, I just don't know
I might end up somewhere in
Mexico
When I find my piece of mind
I'm gonna keep you for the end
of time**

RHCP - Subterranean

Homesick Blues

Johnny's in the basement mixing up the medicine

I'm on the pavement thinking about the government

The man in the trench coat, badge out, laid off,

Says he's got a bad cough wants to get it paid off, paid off

(paid off)

God knows when but you're doin' it again

You better duck down the alleyway lookin' for a new friend

The man in the coonskin cap by the big pen

Wants eleven dollar bills you only got ten

Look out, kid

Look out, kid, because it's somethin' that you did, kid

Look out, kid, because they keep it all hid

Maggie comes fleet foot, face full of black soot

Talkin' at the heat put plants in the bed but

The phone's tapped anyway, Maggie says that many say

They must bust in early may, orders from the D.A.

(the double D.A)

Walkin' on your tip toes, don't try no doz
Better stay away from those that carry
around a fire hose

Keep a clean nose, and an eye on the plain clothes

'Cause | we don't need a weather man to
know which way the wind blows, look
out, kid

Look out, kid, because it's somethin' that you did, kid

Look out, kid, because they keep it all hid, look out

(1 pausa)

Looks to me | like you did a little to much |
hittin' kid

You should've took it to the bridge before
you started to skid

Look out, kid

The good god willin', we'll bebop to Bob
Dylan

Chillin'em, thrillin'em, and red hot
killin'em

Said killin'em

(4 tempos) - "Come on"

Get sick, get well, hand around a ink well
Ring bell, hard to tell if anything is goin' to
sell

Try hard, get barred, get back, write
braille

Get jailed, jump bail | JOin the ARmy | if
you FAIL

But users, cheaters, six time losers | hang
around the theaters

Girl by the whirlpool lookin' for a new fool
Don't follow leaders watch the PArkin'
meters

Look oooooout, kid

Look out, kid, because it's somethin' that you did, kid

Look out, kid, because they keep it all hid

Look out, kid, because it's somethin' that you did, kid

Look out, kid, because they keep all it hid, look out

RHCP - Suck my kiss

And I'm sailing

Yeah

Oh, yeah

Yeah

Oh, yeah

Hit me

(pausa)

Should have been, could have been,
would have been dead

If I didn't get a message goin' to my
head

I am what I am

Most motherfuckers don't give a damn

Oh, baby, think you can

Be my girl, I'll be your man

Someone full of fun do me 'till I'm well
done

Little Bo Peep cumin' from my stun gun

Beware, take care

Most motherfuckers have a cold ass
stare

Oh, baby, please, be there

Suck my kiss, cut me my share

Hit me, you can't hurt me

Suck my kiss

Kiss me, please, pervert me

Stick with this

Is she talking dirty?

Give to me sweet sacred bliss

Your mouth was made to suck my kiss

Look at me, can't you see all I really want
to be

Is free from a world that hurts me?

I need relief

Do you want me, girl, to be your thief?

Oh, baby, just for you

I'd steal anything that you want me to

K - I - S - S - I - N - G

Chicka chicka dee, do me like a banshee

Low brow is how

Swimming in the sound of bow wow
wow

Oh, baby, do me now

Do me here, I do allow

Hit me, you can't hurt me

Suck my kiss

Kiss me, please, pervert me

Stick with this

Is she gonna curtsy?

Give to me sweet sacred bliss

That mouth was made to

Should have been, could have been,
would have been dead

If I didn't get the message goin' to my
head

I am what I am

Most motherfuckers don't give a damn

Oh, baby, think you can

Be my girl, I'll be your man

Someone full of fun do me 'till I'm well
done

Little Bo Peep cummin' from my stun
gun

Beware, take care

Most motherfuckers have a cold ass

Aw, baby, please, be there

Suck my kiss, cut me my share

Hit me you, can't hurt me

Suck my kiss

Kiss me, please, pervert me

Stick with this

Is she talking dirty?

Give to me sweet sacred bliss

That mouth was made to suck my kiss

RHCP - The Zephyr Song

Can I get your hand to write on
Just a piece of leg to bite on
What a night to fly my kite on
Do you want to flash your light on?

Take a look, it's on display for you
Coming down, no, not today

Did you meet your fortune teller
Get it off with no propeller
Do it up, it's on with Stella
What a way to finally smell her

Pick it up, but not too strong for you
Take a piece and pass it on

**Fly away on my zephyr
I feel it more than ever
And in this perfect weather
We'll find a place together**

Fly on my wind

Rebel and a liberator
Find a way to be a skater
Rev it up to levitate her
Super friendly aviator

Take a look, it's on display for you
Coming down, no, not today

**Fly away on my zephyr
I feel it more than ever
And in this perfect weather
We'll find a place together**

**In the water, where I center my
emotion**

All the world can pass me by

**Fly away on my zephyr
We'll find a place together**

Whoa, whoa, whoa, whoa, whoa,
whoa, do you
(Yeah) yeah, yeah, yeah, yeah, yeah,
yeah
(Whoa) whoa, whoa, whoa, whoa,
whoa, whoa, want to?
(Yeah) yeah, yeah, yeah, yeah, yeah,
yeah

**Fly away on my zephyr
I feel it more than ever
And in this perfect weather
We'll find a place together**

**In the water where I center my
emotion**

All the world can pass me by

**Fly away on my zephyr
We're gonna live forever**

Forever

RHCP - Under the bridge

Sometimes I feel like I don't have
a partner
Sometimes I feel like my only
friend
Is the city I live in, the city of
angels
Lonely as I am, together we cry
I drive on her streets 'cause she's
my companion
I walk through her hills 'cause she
knows who I am
She sees my good deeds and
she kisses me windy
Well, I never worry, now that is a
lie

**I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
Yeah, yeah, yeah**

It's hard to believe that there's
nobody out there
It's hard to believe that I'm all
alone
At least I have her love, the city,
she loves me
Lonely as I am, together we cry

**I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
I don't ever wanna feel
Like I did that day
Take me to the place I love
Take me all the way
Yeah, yeah, yeah**

Oh, no, no-no, yeah, yeah
Love me, I say, yeah yeah
One time

Is where I drew some blood
(Under the bridge downtown)
I could not get enough
(Under the bridge downtown)
Forgot about my love
(Under the bridge downtown)
I gave my life awayyyyyy, yeah
Yeah, yeah
(Oh, no) no-no-no-no-no, yeah,
yeah
(Oh, no) no, I said, oh, yeah, yeah
(Oooh) Where I'll stay

RHCP - Universally Speaking

I saw your face
Elegant and tired
Cut up from the chase
Still, I so admired
Bloodshot your smile
Delicate and wild
Give me shewolf style
Rip right through me

Silveretta, the jets of a lifetime
Go and get her
I've got her on my mind
Nothing better, the feeling is so fine
Simply put, I saw your love stream flow

Come on, baby, 'cause there's no name for
Give it up and I got what I came for
Universally speaking
I take it back and you make me nervous
Nothing better than love and service
Universally speaking
I win in the long run

I saw your crime
Dying to get high
Two of a kind
Beats all hands tonight

Silveretta, the jets of a lifetime
Go and get her
I've got her on my mind
All the better, to make it so fine
Simply put, I saw your love stream flow

Come on, baby, 'cause there's no name for
Give it up and I got what I came for
Universally speaking
I take it back and you make me nervous
Nothing better than love and service

SOAD - Aerials

Life is a waterfall

We're one in the river

And one again after the fall

Swimming through the void, we
hear the word

We lose ourselves, but we find it
all

'Cause we are the ones that
wanna play

Always wanna go, but you never
wanna stay

And we are the ones that wanna
choose

Always wanna play but you
never wanna lose

Aerials in the sky

**When you lose small mind, you
free your life**

Life is a waterfall

We drink from the river

Then we turn around and put up
our walls

Swimming through the void, we
hear the word

We lose ourselves, but we find it
all

'Cause we are the ones that
wanna play

Always wanna go, but you never
wanna stay

And we are the ones that wanna
choose

Always wanna play but you
never wanna lose

Oh

free your life**

Aerials, so up high

So where ya going to tomorrow?
And I see that these are lies to
come
So would you even care?

And I feel it
And I feel it

Where ya going for tomorrow?
Where ya goin' with the mask I
found

And I feel, and I feel
When the dogs begin to smell her
Will she smell alone?

And I feel, so much depends on the
weather
So is it raining in your bedroom?
And I see, that these are the eyes of
disarray
Would you even care?

And I feel it
And she feels it
Where ya going for tomorrow?
Where ya goin' with the mask I
found?

And I feel, and I feel
When the dogs begin to smell her
Will she smell alone?

When the dogs do find her
Got time, time, to wait for tomorrow
To find it

The Killers - Mr Brightside
Coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all
It started out with a kiss
How did it end up like this?
It was only a kiss, it was only a

Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a drag
Now they're going to bed
And my stomach is sick
And it's all in my head

But she's touching his chest now
He takes off her dress now
Let me go
And I just can't look, it's killing

The Rare Occasions - Notion

Sure, it's a calming notion, perpetual
in motion

But I don't need the comfort of any
lies

For I have seen the ending, and there
is no ascending

Riiiiise

Oh, back when I was younger, was
told by other youngsters

That my end will be torture beneath
the earth

'Cause I don't see what they see,
when death is staring at me

*I see a window, a limit, to live it, or
not at all*

(Pausa)

If you could pull the lever to carry on
forever

Would your life even matter
anymore?

Sure, it's a calming notion, perpetual
in motion

But it's not what you signed uuup
fooooooor

(Pausa)

I'm sure there won't always be
sunshine

But there's this momentary beam of
light

*You don't have to wait those salty
decades*

*To get through the gate, it's all in
front of your face*

I'm sure there won't always be
sunshine

I'm sure there won't always be
sunshine

But there's this momentary beam of
light

I could-could cross the ocean in a fit
of devotion (I'm sure there won't
always be sunshine)

For every shining second, this fragile
body beckons (but there's this
momentary beam of light)

You think you're owed it better
believing ancient letters (I'm sure
there won't always be sunshine)

Sure, it's a calming notion, but it's a

The Strokes - Last Nite

Last night she said
Oh, baby, I feel so down
She turned me off
When I feel left out
So I, I turned around
Oh, baby, I don't care no more
I know this for sure
I'm walking out that door

Well, I've been in town
For just about fifteen whole
minutes now
Oh, baby, I feel so down
And I don't know why
I keep walking for miles

**The people, they don't
understand
No girlfriends, they can't
understand
Your grandsons, they won't
understand
And me, I ain't ever gonna
understand**

Last night she said
Oh, baby, don't feel so down
She turned me off
When I feel left out
So I, I turned around
Oh, baby, I'm gonna be just fine
It was a great big lie
'Cause I left that night

(Solo)

**Oh, people, they don't
understand
No girlfriends, they don't
understand
In spaceships, they won't
understand
And me, I ain't ever gonna
understand**

Last night she said
Oh, baby, I feel so down
She had turned me off
When I feel left out
So I, I turned around
Oh, I don't care no more
I know this for sure
I'm walking out that door, yeah

The Strokes - You Only Live
Once

Some people think they're always
right

Others are quiet and uptight
Others, they seem so very nice-
nice-nice-nice, oh

Inside they might feel sad and
wrong, oh, no

Twenty-nine different attributes
Only seven that you like, oh-oh
Twenty ways to see the world, oh
And twenty ways to start a fight,
oh

**Oh don't, don't, don't get up
I can't see the sunshine
I'll be waiting for you, baby
'Cause I'm through
Sit me down
Shut me up
I'll calm down
And I'll get along with you**

Oh, men don't notice what they
got

Oh, women think of that a lot
One thousand ways to please
your man, oh

Not even one requires a plan, I
know

And countless odd religions too
It doesn't matter which you
choose, oh, no
One stubborn way to turn your
back, oh
This I've tried and now refuse, oh

[Refrão]

(Alright)

Shut me up, shut me up
And I'll get along with you

The Zutons - Valerie

Well, sometimes I go out by
myself

And I look across the water
And I think of all the things of
what you're doing
In my head I make a picture

Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress

Oh, won't you come on over?
Stop making a fool out of me

(back uníssonos)
Why don't you come on over,
Valerie?
Valerie

Did you have to go to jail?
Put your house out up for sale?
Did you get a good lawyer?
I hope you didn't catch a tan,
Hope you find the right man
Who'll fix it for you

(UUU-UUU uuu-uuu)
Are you shopping anywhere?
Change the color of your hair
And are you busy?
Did you have to pay that fine
That you were dodging all the
time?
Are you still dizzy?

Since I've come home

Well, my body's been a mess
And I miss your ginger hair

And the way you like to dress

Oh, won't you come on over?
Stop making a fool out of me

(back uníssonos)
Why don't you come on over,
Valerie?
Valerie
Valerie
Valerie

(claps + UUU-UUU uuu-uuu)

And I look across the water
And I think of all the things of

In my head I make a picture

Since I've come home
Well, my body's been a mess
And I miss your ginger hair
And the way you like to dress

U2 - Sunday Bloody Sunday
I can't believe the news today
Oh, I can't close my eyes and make
it go away

How long, how long must we sing
this song?
How long? How long?

'Cause tonight
We can be as one
Tonight

Broken bottles under children's feet
Bodies strewn across the dead-end
street
But I won't heed the battle call
It puts my back up, puts my back up
against the wall

Sunday, Bloody Sunday (**Sundaay**)
Sunday, Bloody Sunday (**Sundaay**)
Sunday, Bloody Sunday (**Sunday,**
Bloody Sunday)
Alright, let's go

And the battle's just begun
There's many lost, but tell me who
has won?
The trenches dug within our hearts
And mothers, children, brothers,
sisters torn apart

Sunday, Bloody Sunday (**Sundaay**)
Sunday, Bloody Sunday (**Sundaay**)

How long, how long must we sing
this song?
How long? How long?

'Cause tonight we can be as one,
toniiiiiiiight
Tonight, tonight (Sunday, Bloody
Sunday)
Tonight, tonight (Sunday, Bloody
Sunday)
Alright, let's go

(Solo)

Wipe the tears from your eyes
Wipe your tears away
I'll wipe your tears away
I'll wipe your tears away (Sunday,
Bloody Sunday)
I'll wipe your bloodshot eyes
(Sunday, Bloody Sunday)

Sunday, Bloody Sunday (**Sunday,**
Bloody Sunday)
(Pausa)
Sunday, Bloody Sunday (**Sunday,**
Bloody Sunday)
Yeah, let's go

(Riff)

And it's true we aaare immune
When fact is fiction and TV reality
And today the millions cry (Sunday,
Bloody Sunday)
We eat and drink while tomorrow
they die (Sunday, Bloody Sunday)

The real battle just begun (Sunday,
Bloody Sunday)
To claim the victory *Jesus won*
(Sunday, Bloody Sunday)
On Sunday, Bloody Sunday, yeah
(Sunday, Bloody Sunday)
